

When you become an Ascent Global Logistics sales agent you have the ability to serve clients of all shapes and sizes with needs ranging from simple to complex. The comprehensive Ascent Global Logistics portfolio allows you to build tailored logistics solutions specific to your clients' exact needs.

At Ascent Global Logistics, you will always be a valued member of our team.

FULL PORTFOLIO OF SOLUTIONS

Ascent Global Logistics provides a complete suite of solutions to solve any logistical challenge. We are committed to providing you with continuous training and education to help you become fluent in our various logistics solutions.

Domestic Freight Management

Our domestic freight management solutions provide clients with the power to control as much of their freight program as they desire. Our wide range of domestic service offerings enable us to build a truly customized and personalized solution.

International Freight Forwarding

Our global transportation and trade division specializes in managing complex global logistics needs with competence and compliance. We can manage every global logistics challenge, from worldwide transportation to international trade compliance.

Warehousing and Consolidation

Our warehousing, consolidation and distribution capabilities ensure that client products reach store shelves on-time. Our clients rely on our specialized team to help achieve logistics compliance with the largest U.S. big box retailers.
